

# Hello Hurricane

Switchfoot

Ohhh yeah yeah ohhh

I've been watching the skies  
They've been turning blood red  
Not a doubt in my mind anymore  
There's a storm up ahead

Hello hurricane  
You're not enough  
Hello hurricane  
You can't silence my love  
I've got doors and windows  
Boarded up  
All your dead end fury is  
Not enough  
You can't silence my love, my love

Every thing I have I count as loss  
Everything I have is stripped away  
Before I started building  
I counted up these costs  
There's nothing left for you to take away

Hello hurricane  
You're not enough  
Hello hurricane  
You can't silence my love  
I've got doors and windows  
Boarded up  
All your dead end fury is  
Not enough  
You can't silence my love  
Yeah my love

I'm on fire fighting for control  
I'm a fighter fighting for my soul  
Everything inside of me surrenders  
You can't silence my love  
You can't silence my love

Hello hurricane  
You're not enough  
Hello hurricane  
You can't silence my love  
I've got doors and windows  
Boarded up  
All your dead end fury is  
Not enough  
You can't silence my love

Yeah I said hello hurricane
