Ohhh yeah yeah ohhh

I've been watching the skies They've been turning blood red Not a doubt in my mind anymore There's a storm up ahead

Hello hurricane
You're not enough
Hello hurricane
You can't silence my love
I've got doors and windows
Boarded up
All your dead end fury is
Not enough
You can't silence my love, my love

Every thing I have I count as loss
Everything I have is stripped away
Before I started building
I counted up these costs
There's nothing left for you to take away

Hello hurricane
You're not enough
Hello hurricane
You can't silence my love
I've got doors and windows
Boarded up
All your dead end fury is
Not enough
You can't silence my love
Yeah my love

I'm on fire fighting for control I'm a fighter fighting for my soul Everything inside of me surrenders You can't silence my love You can't silence my love

Hello hurricane
You're not enough
Hello hurricane
You can't silence my love
I've got doors and windows
Boarded up
All your dead end fury is
Not enough
You can't silence my love

Yeah I said hello hurricane
