Innocence Again

Switchfoot

Do you remember when You were way back then You held the world inside your hands When you told me love Was the strongest stuff Your strength was innocence

But, oh man, the signs of the times are omens You're starting the day in No man's land again

Who are you gonna be?
When you're on your knees
Who do you believe?
Oh-oh-oh fear is a lonely man
You've been given innocence
You've been given innocence again

You should know by now
That your darkest hour
Is when your broken heart goes down
It's a bitter end
When the sweet begins
Grace is sufficiency

But, oh dear, we'll never deserve it No dear, we never could earn it Now, here, the choice is yours

Who are you gonna be?
When you're on your knees
Who do you believe?
Oh-oh-oh fear is a lonely man
You've been given innocence
You've been given innocence again

Grace is high and low Grace is high and low Grace is high and low We'll never be the same

Who are you gonna be?
When you're on your knees
Who do you believe?
Oh-oh-oh fear is a lonely man
You've been given innocence
You've been given innocence again

You've been given innocence, innocence, innocence Who are you gonna be?
And who are you gonna be?
And who are you gonna be?
You've been given innocence
