

Let That Be Enough

Switchfoot

I wish I had what I needed
To be on my own
'Cause I feel so defeated
And I'm feeling alone

And it all seems so helpless
And I have no plans
I'm a plane in the sunset
With nowhere to land

And all I see
It could never make me happy
And all my sand castles
Spend their time collapsing

Let me know that You hear me
Let me know Your touch
Let me know that You love me
And let that be enough

It's my birthday tomorrow
No one here could know
I was born this Thursday
22 years ago

And I feel stuck
Watching history repeating
Yeah, who am I?
Just a kid who knows he's needy

Let me know that You hear me
Let me know Your touch
Let me know that You love me
And let that be enough
