

Love Alone Is Worth the Fight

Switchfoot

I'm trying to find where my place is
I'm looking for my own oasis
So close I can taste this
The fear that love alone erases

So I'm back to the basics
I figure it's time I face this
Time to take my own advice

Love alone is worth the fight
Love alone is worth the fight

And I never thought it'd come to this
But it seems like I'm finally feeling numb to this
The funny thing about a name is
You forget what the reason you were playing the game is

And it's all an illusion
A 21st century institution
So I'm headed down the open road unknown

And we find what we're made of
Through the open door
Is it fear you're afraid of?
What are you waiting for?

Love alone is worth the fight
Love alone is worth the fight

We're only here for a season
I'm looking for the rhyme and reason
Why you're born, why you're leaving
What you fear and what you believe in

Why you're living and breathing
Why you're fighting it and getting it even
Let's go headed down the open road unknown

And we find what we're made of
Through the open door
Is it fear you're afraid of?
What are you waiting for?

Love alone is worth the fight
Love alone is worth the fight

Yeah, yeah, yeah
Oh! Oh!

Here we are, here we go
Where the road is our own
Hear it calling you home
Here we are, here we go!

Love alone is worth the fight
Love alone is worth the fight
Love alone is worth the fight

Love alone is worth the fight
Love alone is worth the fight
