

# Love Alone Is Worth the Fight

Switchfoot

I'm trying to find where my place is  
I'm looking for my own oasis  
So close I can taste this  
The fear that love alone erases

So I'm back to the basics  
I figure it's time I face this  
Time to take my own advice

Love alone is worth the fight  
Love alone is worth the fight

And I never thought it'd come to this  
But it seems like I'm finally feeling numb to this  
The funny thing about a name is  
You forget what the reason you were playing the game is

And it's all an illusion  
A 21st century institution  
So I'm headed down the open road unknown

And we find what we're made of  
Through the open door  
Is it fear you're afraid of?  
What are you waiting for?

Love alone is worth the fight  
Love alone is worth the fight

We're only here for a season  
I'm looking for the rhyme and reason  
Why you're born, why you're leaving  
What you fear and what you believe in

Why you're living and breathing  
Why you're fighting it and getting it even  
Let's go headed down the open road unknown

And we find what we're made of  
Through the open door  
Is it fear you're afraid of?  
What are you waiting for?

Love alone is worth the fight  
Love alone is worth the fight

Yeah, yeah, yeah  
Oh! Oh!

Here we are, here we go  
Where the road is our own  
Hear it calling you home  
Here we are, here we go!

Love alone is worth the fight  
Love alone is worth the fight  
Love alone is worth the fight

Love alone is worth the fight  
Love alone is worth the fight
