

# Only Hope

Switchfoot

There's a song that's inside of my soul  
It's the one that I've tried to write over and over again  
I'm awake in the infinite cold  
But you sing to me over and over and over again

So I lay my head back down  
And I lift my hands and pray to be only yours  
I pray to be only Yours  
I know now you're my only hope

Sing to me the song of the stars  
Of your galaxy dancing and laughing and laughing again  
When it feels like my dreams are so far  
Sing to me of the plans that you have for me over again

And I lay my head back down  
And I lift my hands and pray to be only yours  
I pray to be only yours  
I know now you're my only hope

I give you my apathy  
I'm giving you all of me  
I want your symphony  
Singing in all that I am  
At the top of my lungs I'm giving it back

And I lay my head back down  
And I lift my hands and pray to be only yours  
I pray to be only yours  
I pray to be only yours  
I know now you're my only hope
