

## Playing for Keeps

Switchfoot

Do me a favor  
Would you sing this to me slow?  
'Cause I'm thinking it's my song  
Do me a favor  
Would you tell me when to let go?  
'Cause I think I'm holding on

Would you do it for me?  
Would you do it for me?  
'Cause I'm playing for keeps

Tell me tomorrow has come  
With open arms  
If you say it's time to move on  
Then I'll stop holding on  
If you say that it's time for moving on  
Time for moving on

Do me a favor  
Would you tell me which way's up?  
'Cause I don't know where I fit  
Do me a favor  
Would you tell me when to stop?  
'Cause I don't know how to quit

Do me a favor  
'Cause I'm playing for keeps
