

Something More (Augustine's Confession)

Switchfoot

Augustine

Just woke up with a broken heart

All this time

He's never been awake before

At thirty-one

His whole world is a question mark

All this time

He's never been awake before

Watching dreams that he once had

Feed the flame inside his head

In a quiet desperation of the emptiness he says...

"There's got to be something more

Than what I'm living for

I'm crying out to You"

Augustine

All his fears keep falling out

All this time

He's never been awake before

Finding now

His old dreams aren't panning out

All this time

He's never been awake before

But he's mad to be alive

And he's dying to be met

In a quiet desperation of the emptiness he says...

"Hey, I give it all away

Nothing I was holding back remains

Hey, I give it all away

Looking for the grace of God today"
