

## Something More (Augustine's Confession)

Switchfoot

Augustine  
Just woke up with a broken heart  
All this time  
He's never been awake before

At thirty-one  
His whole world is a question mark  
All this time  
He's never been awake before

Watching dreams that he once had  
Feed the flame inside his head  
In a quiet desperation of the emptiness he says...

"There's got to be something more  
Than what I'm living for  
I'm crying out to You"

Augustine  
All his fears keep falling out  
All this time  
He's never been awake before

Finding now  
His old dreams aren't panning out  
All this time  
He's never been awake before

But he's mad to be alive  
And he's dying to be met  
In a quiet desperation of the emptiness he says...

"Hey, I give it all away  
Nothing I was holding back remains  
Hey, I give it all away  
Looking for the grace of God today"
