

Sooner or Later (Soren's Song)

Switchfoot

Come back and haunt me
Follow me home
Give me a motive
Swallow me whole

They say I've lost it
What could I know
When I'm but a mockery?
I'm so alone

Sooner or later you'll find out
There's a hole in the wall

Today is ours
Condemned to be free
Free to keep breathing
Free to believe

I look to find you
Down on my knees
Oh God, I believe!
Please help me believe

Sooner or later they'll find out
There's a hole in the wall
Sooner or later you'll find out
That you'll dream to be that small

I'm a believer, help me believe

I gave it all away and lost who I am
I threw it all away
With everything to gain
And I'm taking the leap
With dreams of shrinking
Yeah, dreams of shrinking
