

## This Is Your Life

Switchfoot

Yesterday is a wrinkle on your forehead  
Yesterday is a promise that you've broken  
Don't close your eyes, don't close your eyes  
This is your life and today is all you've got now  
Yeah, and today is all you'll ever have  
Don't close your eyes  
Don't close your eyes

This is your life, are you who you want to be?  
This is your life, are you who you want to be?  
This is your life, is it everything you dreamed that it would be?  
When the world was younger and you had everything to lose

Yesterday is a kid in the corner  
Yesterday is dead and over

This is your life, are you who you want to be?  
This is your life, are you who you want to be?  
This is your life, is it everything you dreamed that it would be?  
When the world was younger and you had everything to lose

Don't close your eyes  
Don't close your eyes  
Don't close your eyes  
Don't close your eyes

This is your life are you who you want to be?  
This is your life are you who you want to be?

This is your life, are you who you want to be?  
This is your life, are you who you want to be?  
This is your life, is it everything you dreamed it would be  
When the world was younger and you had everything to lose

And you had everything to lose
