

# Yesterdays

Switchfoot

The flowers cut and brought inside  
Black cars in a single line  
Your family in suits and ties  
And you're free

The ache I feel inside  
Is where the life has left your eyes  
I'm alone for our last goodbye  
But you're free

I remember you like yesterday  
Yesterday  
I still can't believe you're gone  
Oh I remember you like yesterday  
Yesterday  
And until I'm with you, I carry on

Adrift on your ocean floor  
I feel weightless numb and sore  
A part of you and me is torn  
You're free

I woke from a dream last night  
I dreamt that you were by my side  
Reminding me I still had life  
In me

I remember you like yesterday  
Yesterday  
I still can't believe you're gone  
Oh I remember you like yesterday  
Yesterday  
And until I'm with you, I carry on

I'll carry on, I'll carry on

Every lament is a love song  
Yesterday, yesterday  
I still can't believe you're gone

Every lament is a love song  
Yesterday, yesterday  
Oh so long my friend, so long
