

# Your Love Is a Song

Switchfoot

I hear you breathing in  
Another day begins  
The stars are falling out  
My dreams are fading now, fading out

I've been keeping my eyes wide open  
I've been keeping my eyes wide open

Your love is a symphony  
All around me  
Running through me  
Your love is a melody  
Underneath me  
Running to me

Oh, your love is a song

The dawn is fire bright  
Against the city lights  
The clouds are glowing now  
The moon is blacking out, is blacking out

So I've been keeping my mind wide open  
I've been keeping my mind wide open, yeah

Your love is a symphony  
All around me  
Running through me  
Your love is a melody  
Underneath me  
Running to me

Oh, your love is a song  
Your love is a song  
Oh, your love is a song  
Your love is strong

With my eyes wide open  
I've got my eyes wide open  
I've been keeping my hopes unbroken, yeah

Your love is a symphony  
All around me  
Running through me  
Your love is a melody  
Underneath me  
Running to me

Your love is a song  
Yeah, yeah  
Your love is my remedy  
Oh your love is a song
