Almost famous, Now I wonder if they've heard of us  
Together we are one, when I'm alone I'm just a third of us  
Family, bond thats even deeper than blood  
Cause we choose to stick together while we creep through the mud  
And walk through the fire, we've been to heaven to hell  
But when we were at the bottom, fuck it nobody bailed  
That's why we got a bond that's even deeper than blood  
Cause we chose to stick together while we creep through the mud

I'm a reaper with a sickle, a twisted little sick-
