Crescent Heights, Cali up north to Vancouver

Molecular monitors censors an  
Anaconda that harbors  
A feeling for heat and armor and eating a snake charm  
Capital break, wrap it in tape the cidic images  
Stand up and when I twist the lid off of a silver cylinder  
Crash the vehicular, makes a riveting statement  
Prior engagement escape this electric encagement  
Select the vegenance surraying for the four-blade tango  
Enough voltage in my panel to constantly change the channel

Yo I came here to change the whole sound of art  
And let em know it all comes down to art  
The mission now is rip the whole town apart  
Wit my colleagues, my teammates, my counter parts

Yo I came here to change the whole sound of art  
And let em know a new cycle is bound to start  
The mission now is rip the whole town apart  
Wit my colleagues, my teammates, my counter parts

Yo, some pay no mind  
Man, I put time in so play this  
You live on the edge, I live on the San Andreas  
In range of, clear and present danger  
Can't even trust my shadow, every day it's lookin stranger  
In ten years, you'll find me on the low  
Full-bearded, Serpico wit flows yo  
Coolin in the cut crevice, underground tavern  
Wit wifey and seed, still on point like a javelin

Madchild twists and turns like an Indian burn  
Wit powerful jaws and character flaws  
Rippin and tearin wit claws  
Kill if I'm aware of the cause  
Not to mention, knuckles white from inner tension  
Witch doctors and war chiefs approaching  
Fantastic adventures, a frightening fortune  
Scorpion tail snaps, constrictor strangles  
S+M Rocks, Dilated Works the Angles

Galvanize steel grate, ?I tear a? quite well made  
I trust you're rush into an open blade of rust  
Hands to ribbons, is in a beatbox of must  
Crimson wordplay Prevail, the narrarator from the doorway  
My partners in this, have gotta be clearly obvious

Known for superior form of smoke inhalation  
From spoken inceneration  
Omens of Damien reignin in present New Haven  
Now ain't that amazing?

Yo I'm inspired and wired  
That time will be attractive  
Not tired I've fired volcanoes still in ac-tive  
(The unibomber!)

Causin drama or terror, it's fabulous  
I'll bounce to the arting wit a backpack full of travelers  
Checks to burn, stay warm for the brain storm  
Cuz in my snow storm  
I freeze if I don't sleep below the ice for my blanket  
Thank earth for it's hidden treasures  
And now I'm takin drastic measures

Indulge in this intrusion  
Underworld defender  
Horrendous snowball of absolute insaness (feel me)  
Riskin freedom to be famous  
When nothin remains except passion and pain  
No slashin the vein, to bleed and drown in a bath  
Fall down and I laugh, get up wipe myself off and walk down a new path  
I'm INTACT! You can't handle the impact  
Insync, blazing wit killer instinct

I excel, they all fell  
New details, Madchild Prevail  
I remove the veil, manifest God self  
As the life-giving son, Iriscience brings twelve  
Like Buckingham Palace to British Columbia  
Three states under ya, I deal wit District of Columbia  
Understand the numbers and the system that you're under  
And why them belly full but we keep em feelin hunger
