

# Better Than I

SWV

She got my eyes  
She got my hair  
Go on and stare  
Complexion the same  
It wouldn't be the same if you knew she didn't care  
About you the way that I do now  
So don't go thinkin' that she's better than I

I'm a keep it one hun-dred  
She ain't got nothin' I can prove why  
She ain't got nothin' on my uh-ah  
Don't go thinkin' that she's better than I

I'm gonna show you  
She ain't got nothing I can prove why  
Well, I'm gonna show you while I'm finna  
Finna finna finna finna do now

She doesn't cook  
She doesn't clean  
Steam you jeans  
She always rush  
Doesn't take much  
To do to win your love  
You're something in common we share but  
Don't go thinkin' that she's better than I

Boy, you got plenty to choose  
Boy, don't forget the 80-20 rule  
So what she does  
It don't even matter (It don't even matter)  
Cause I do my things better

I'm a keep it one hun-dred  
She ain't got nothin' I can prove why  
She ain't got nothin' on my uh-ah  
Don't go thinkin' that she's better than I

I'm gonna show you  
She ain't got nothin' I can prove why  
Boy, I'm gonna show you what I'm finna  
Finna finna finna finna do now

Way before you saw me walkin' down the aisle you told me  
I'm the type of girl to stand out in a crowd  
You said you liked my smile way before we said our vows  
I was your Tenderoni and you was my Bobby Brown  
Ba-ba-baby take a ride, you've been playin' me a while  
Gamin her too, got us both like wow  
But I'm fin to hit the dial if you're still out on the prowl  
And you can't commit to vows cause you keep committin' fouls

Boy, you got plenty to choose  
Boy, don't forget 80-20 rules  
So what she does  
It don't even matter (It don't even matter)  
Cause I do my things better

I'm a keep it one hun-dred  
She ain't got nothin' I can prove why  
She ain't got nothin' on my uh-ah  
Don't go thinkin' that she's better than I

I'm gonna show you  
She ain't got nothin' that I prove why  
Well, I'm gonna show you what I'm finna  
Finna finna finna finna do now

I'm a keep it one hun-dred  
She ain't got nothin' I can prove why  
(She ain't got what I got baby)  
She ain't got nothin' on my uh-ah  
Don't go thinkin' that she's better than I  
(Don't go thinkin' that she's better than I)

I'm gonna show you  
She ain't got nothin' I can prove why
