

## Here For You

SWV

I'll always be here, for you  
I promise you  
I'll always stay  
Nothing can take my love away  
When ever you need a shoulder  
I'll be forever true  
There's nothing I won't do

Tell me what it is about your lovin'  
That makes me do anything for you  
I can't explain  
But the fact remains, I'm feelin'...  
Like whatever you do I'm never leaving you  
I'll always

There are no words to describe how I get excited  
But it's easy to see I'm crazy-into you, you  
(I never had a love like this so baby)  
Make a promise that (you'll always stay with me)  
I'll always

I believe that (if you're really feeling love)  
(When it's true love)  
(You can't let it get away)  
(So baby that's why I'll say)
