Here For You

I'll always be here, for you I promise you I'll always stay Nothing can take my love away When ever you need a shoulder I'll be forever true There's nothing I won't do

Tell me what it is about your lovin' That makes me do anything for you I can't explain But the fact remains, I'm feelin'... Like whatever you do I'm never leaving you I'll always

There are no words to describe how I get excited But it's easy to see I'm crazy-into you, you (I never had a love like this so baby) Make a promise that (you'll always stay with me) I'll always

I believe that (if you're really feeling love) (When it's true love) (You can't let it get away) (So baby that's why I'll say)
