

# You're Always On My Mind

SWV

You're always on my mind  
Boy, I can't seem to get you outta my head  
But there's something about you that makes me smile  
Don't change, I like the way you make me feel  
Can we take our time and do this for a while

Girl, I never thought I'd find someone to love me  
Now, you're the only one I want in my life  
And the special touch you give comes from you only  
I guess that's why you're always on my mind

You're always on my mind  
You're always on my mind  
You're always on my mind  
You're always on my mind

Sometimes, I find it hard to concentrate  
Because thoughts of us together fill my head  
When you're away, it's hard to sleep at night  
So, my pillow, like my thoughts of you, I hold tight

Girl, I never thought I'd find someone to love me  
Now, you're the only one I want in my life  
And the special tough you give comes from you only  
I guess that's why you're always on my mind

Thinking 'bout ya, thinking 'bout ya, I can't stop thinking 'bo  
ut ya  
(On my mind)
