You're The One

You're the one for me You can call on me That's all I want us to be You're the one for me

I know that you're somebody else's guy But these feelings that Ihave for you I can't deny She doesn't treat you The way you want her to So come on stop fronting I wanna get with you What you'r girl don't know won't hurt her (Hurt her) Anything to make this love go further

This can be an undercover romance 'Cause I feel like I'm the type of girl You could give a chance Taste and see How good it can be 'Cause you don't have to worry (baby) What your girl don't know won't hurt her (Won't hurt her) Anything to make this love go further

So, what's my chance?
(I'm willing to do anything to get)
In your pants
(You don't have to worry I won't)
Say a thing
(And if she finds out I don't)
Know nothing, Oh no

You're the one for me (Ah ah ahah, ah ah ahah) When in love you need (Ah ah ahah, ah ah ahah) You're the one for me (Ah ah ahah, ah ah ahah) When in love you need
