

# Long Gone

Syd Barrett

She was long gone, long, long gone  
She was gone, gone, the bigger they come  
The larger her hand 'til no one understands  
Why for so long she'd been gone.

And I stood very still by the window sill  
And I wondered for those I love still  
I cried in my mind where I stand behind  
The beauty of love's in her eyes

She was long gone, long, long gone  
She was gone, gone, the bigger they come  
The larger her hand 'til no one understands  
Why for so long she'd been gone.

And I borrowed the page  
From a leopard's cage  
And I prowled in the evening sun's glaze  
Her head lifted high to the light in the sky  
The opening dawn on her face

She was long gone long, long gone  
She was gone, gone, the bigger they come  
The larger her hand 'till no one understands  
Why for so long she'd been gone.

And I stood very still by the window sill  
And I wondered for those I love still  
I cried in my mind where I stand behind  
The beauty of love's in her eyes

She was long gone long, long gone  
She was gone, gone, the bigger they come  
The larger her hand 'till no one understands  
Why for so long she'd been gone.

She was long gone long, long gone.
