I really love you and I mean you The star above you, crystal blue Well, oh baby, my hairs on end about you

I wouldn't see you and I love to I fly above you, yes I do Well, oh baby, my hairs on end about you

Floating, bumping, noses dodge a tooth The fins a luminous Fangs all 'round the clown Is dark below the boulders hiding all The sunlight's good for us 'Cause we're the fishes and all we do The move about is all we do Well, oh baby, my hairs on end about you

Floating, bumping, noses dodge a tooth The fins a luminous Fangs all 'round the clown Is dark below the boulders hiding all The sunlight's good for us 'Cause we're the fishes and all we do The move about is all we do Well, oh baby, my hairs on end about you

I really love you and I mean you The star above you, crystal blue Well, oh baby, my hairs on end about you
