

## After All These Years

Syd Matters

After all these years by your side  
I never wanted (?any mutation?)  
As long as your ok i'll be safe and sound  
(?Remainnig inside?) hmmmmm hmmm

After all these years i still fight  
But i never needed any protection  
If i'm allowed to play I won't ask for more  
As you leave could you lock the door

After all these years by your side  
I never wanted (?any mutation?)  
As long as your ok i'll be safe and sound  
(?Remainnig inside?) hmmmmm hmmm

After all these years i still hide  
But i never want any special treatment  
But i'm sure i will need all your attention  
Today i'm gonna get up from my bed... from my bed, from my bed!
