Saw you Light in the dark ways Big Moon Big Moon Spotlight in the distance Big Moon Big Moon Lift me up Been through Hate and redemption Big Moon Big Moon Look up There'll be a connection Real soon Real soon Lift me up Hey! What's the price? Hey! How surprised? With my hands and my eyes I see nothing Rain! What's the price? Stoneclouds! How surprised? With you hands and my eyes I see a lightning So bored Playing the victim Big Moon Big Moon I'm so tired Living for nothing Big Moon Big Moon Hey Sister I wanna climb But the walls are so terribly high I'll never make it Hey Sister I wanna come home

But the roads are so terribly long

But I'll never give up
