

## End And Start Again

Syd Matters

I was trying to find the river's end  
I was trying to reach my ocean friends  
I didn't know exactly where I was going  
'Didn't know exactly if I was drowning down

But I was trying to reach my mother's ex  
I was jumping over her and then I was bent  
I didn't know exactly where I was going  
'Didn't know exactly if I was burning clean

But I know in the sunshine's  
It's not too late  
That doesn't rhyme in the rainfalls

Down in the sunshine  
Going on  
Further rainbow  
I won't get off (2x)

Find the bride once  
Some of them will cry  
Some of them will lie  
Some of them will shine on

I could have known  
They could have shown  
But they didn't show at all

But I know in the sunshine's  
It's not too late  
That doesn't rhyme in the rainfalls

In the sunshine going on  
Though the rainbow  
I won't get off (4x)

I was cleaning the air of the human race  
I was building spaceships to colonize space
