

# Morpheus

Syd Matters

Eyes by the sea  
What can you see?  
White and blue only  
Peace and tranquility  
You'll feel free just like me  
You'll feel free just like me

Until rhymes  
Invention times  
Can you take us?  
O Morpheus  
Can you take us?  
O Morpheus  
Don't miss it in call  
Listen to the stars  
Astral logical warms  
Astral logical warms  
Astral logical warms  
[Astrological worms?]
