

# Nobody Told Me

Syd Matters

Something's going backwards  
Something's going wrong  
Well, I stand taller then I stumble  
The fish is going back home  
The wolf is hunting deers  
Well, I don't know where I'm heading  
Daddy's bringing money  
Mom is feeding baby  
Well, I don't know what I'm doing

Nothing's coming easily  
No one's working for me  
Well, I get drunk, then I forget  
..... good you see  
No, I don't know where i'm heading  
Nobody told me  
Nobody told me  
Nobody told me  
Nobody told me
