

## Spitting Image

Sylar

Every now and then  
You come my way  
Standing, Staring, Scheming  
Trying to rape what's on my plate  
Trying to take what's mine  
Always trying to take what's mine  
It's like you can't get enough

(So come & tell me)  
Why you want it? (2x)  
Why you want it so bad?  
Why you want it? (2x)  
Why you want it so bad?  
Why you want it? (2x)  
Why you want it so bad?  
So come and fucking tell me  
Why you want it so fucking bad  
Yeah, Yeah  
Yeah, Yeah

Every now and then  
You come my way  
Standing, Staring, Scheming  
Trying to rape what's on my plate  
Trying to take what's mine  
Always trying to take what's mine

[Chorus]  
So, for what it's worth  
All my stuff's been copy written  
Plus, you must discuss your own life's hate  
in what you spittin'  
For what it's worth  
All my stuff's been copy written  
Plus, you must discuss your own life's hate  
in what you spittin'

Why you want it? (2x)  
Why you want it so bad?  
Why you want it? (2x)  
Why you want it so bad?  
Why you want it? (2x)  
Why you want it so bad?  
So come and fucking tell me  
Why you want it so, bad!

Every now & then you come my way  
Every now & then you come my way  
Every now & then you come my way  
Standing, Staring, Scheming  
Trying to rape what's on my plate!

[Chorus]  
So, for what it's worth  
All my stuff's been copy written  
Plus, you must discuss your own life's hate  
in what you spittin'

For what it's worth  
All my stuff's been copy written  
Plus, you must discuss your own life's hate  
in what you spittin'

& it's you same people caring  
who front like you're not staring (2x)

Motherfuckers, always trying to take my shit.
