

He Makes Me Say

Syleena Johnson

Being in love is a beautiful, beautiful thing-oh

And he makes me say--

oooo oooo oooo oooo

oooo oooo oooo oooo

yeah yeah yeah yeah (come on)

oooo oooo oooo oooo (yeah yeah)

oooo oooo oooo oooo

I gotta guy who's got me feeling like a butterfly, oh

So beautiful and he loves me so

He's the kind that will never

Let me go

And I wanna just clap, clap, clap my hands yall (Cause I feel all right)

I wanna dance in the rain

Tell the world about my real thing

oooo oooo oooo, yeah

(He makes me say)

He's gotta smile that

(Make me say)

oooo oooo oooo

When he walks I'm feeling safe

oooo oooo oooo

All the lovin makes me feel

oooo oooo oooo

So good

He's the kinda guy

Who sends you roses on, anyday, oh

And he takes much pride in his southern style

A gentleman

And I can take him home to momma

Oooooooooohhhh, oooooooooh

When you fall in love

Don't it make you wanna call someone and tell 'em

Ooo ooo love

(Cause it's so good)

ooo ooo, love

oooooooooooo,oooooooooh!!

oooo oooo oooo, yeah

(He makes me say)

He's gotta smile that

(Make me say)

oooo oooo oooo

When he walks I'm feeling safe

oooo oooo oooo

All the lovin makes me feel

oooo oooo oooo

So good

Clap, clap, clap my hands ya'll (Cause I feel alright)
