

I'm Gon' Cry

Syleena Johnson

Another Lonely night
And you're on my mind
I can't sleep, can't eat
From what you done to me
Was she that fine
Was it that deep
For you to give yourself
so easily
And not consider my feelings
How could you be so ignorant
But I'm a woman of love
And not a woman of hate
So instead of wilin' out
I'll get out your way
It's obvious that the love is gone
So what in the hell am I supposed to say
You say it aint that serious
But it IS that serious

Cause I'm gone cry I'm gone cry I'm gone cry I'm gone cry-cry for you
I'm gone Cry... I'm gone cry anyway
But I won't try I won't try I won't try I won't try-try for you
But I still won't try for you baby...(No)

Now you calling me
With the baby please
Trying to make it somewhat like it used to be
No we can't be friends
Cause when I talk to you
I catch them old feelings
It might make me want ya back
When it's dangerous to want ya back
So I'm cutting ya loose
Sick of being confused
Trying to lie to myself
Like I'm over you
And even though I care
I still don't wanna bare
All this drama and pain
It's like I can't stop fallin'
So you would PLEASE stop callin;

Cause I'm gone cry I'm gone cry I'm gone cry I'm gone cry-cry for you
Said I'm gone Cry anyway
But I won't try I won't try I won't try I won't try-try for you
But I won't try baby (no no)

See I know
that I'm gone
Cry for
you
But I
Still won't
try for
you baby
Cause I'm gone cry
I'm gone cry

I'm gone cry
I'm gone cry-cry for you
But I won't try
I won't try
I won't try
I won't try-try for you (5x)
