

# No Words

Syleena Johnson

Just the mere thought of you  
Makes me oohwee  
And I, I, I, I, I, I  
Ooh, ooh, ooh, ooh and  
Every time you touch me I  
I, I, I, I, I, I, I  
Oh  
Whoooooa so I

You make me feel so good  
That I can't put it in words  
And I feel so feel so good  
'Bout you tat I can't put it in words

Every since word you say  
Hey, hey, hey, hey, hey, hey, hey,  
I, I, I, I, I, uh I, I  
See and I can't get enough of you 'cause I  
Oohhhhhhhoohhhhhhhhhhhhhhhhh  
I I

You make me feel so good  
That I can't put it in words  
And I feel so feel so good  
'Bout you tat I can't put it in words

I can't find the words to say it  
Really I just can't explain it  
I don't understand it  
But I won't take it for granted  
'Cause it makes me feel so good  
And I don't know how I could  
Let myself overlook it  
A love so beautiful and pure

You make me feel so good  
That I can't put it in words  
And I feel so feel so good  
'Bout you tat I can't put it in words  
(2x)

See I don't know what to say about it  
And I don't what do about it  
So I I I I I I  
So I I I I I I  
OHHHHH
