

So Willingly

Syleena Johnson

When I say I love you, and you don't respond,
It's ok cuz I know your heart,
Friends they think I'm a fool, for staying so true to you, but
it's ok because
I'll play that part

Even though you never say you love me,
I know you're always thinking of me,
And people try to hate on you, cuz they don't see you like I do
, (no they don't)
And aint no matter what they say, you notice me everyday
And knowing that you care for me the way you give yourself so w
illingly

And I know there will there be times
To take time out and cater to my needs
But really that's cool cuz I'm not alone
Im with you even when you're gone

Really you're so special to me
Nothing is better than to be
The part of my love that is so sweet
So you don't have to say a word
So when will I question your love for me
Though living with you is so complete
So you don't have to worry about me
Because I'm not going no where
