

## The Beginning (Intro)

Syleena Johnson

Once upon a time there was a young soul  
Filled with fears.  
She lacked love in herself which brought many many tears.  
Until one day  
God sent her the challenge that would change her life.  
A man, the fairest of them all, dark and handsome, fit for a wife.  
He brought love to her mind, and he hypnotized her soul.
