

# Easy Way Out

Sylver

All I need  
Is all I've got  
All I need  
Is everything you're not

Things are going great  
And they'll only get better  
A cruel twist of fate  
Has changed my life

A little more time  
And get my life together  
The only thing that's mine  
Worth fighting for

All I need  
Is all I've got  
All I need  
Is everything you're not

There's no easy way out  
No matter what you say  
There's no easy way out  
You can't just walk away

No matter where you go  
I will always know  
There's no easy way out  
No easy way out

A place to go  
Beyond spacious skies  
That I can call my own  
Happiness awaits

Cleans myself again  
Wash away all your sins  
'Cause then and only then  
I will be free

All I need  
Is all I've got  
All I need  
Is everything you're not

There's no easy way out  
No matter what you say  
There's no easy way out  
You can't just walk away

No matter where you go  
I will always know  
There's no easy way out  
No easy way out
