

I Hate You Now

Sylver

Such a perfect day
I swept you from my heart
It's such a perfect day
I take a brand new start

You broke my heart
And you crushed my soul
You pulled me close
Than you let me go

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now
I hate you now
God, I hate you now

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now
I hate you now
God, I hate you now

I don't know who you are
Your whole love was a lie
I don't know who you are
You kill me from inside

You broke my heart
And you crushed my soul
You pulled me close
Than you let me go

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now
I hate you now
God, I hate you now

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now

I hate you now
God, I hate you now

Tonight I'm gonna let you die
'Cause everything you said was a fucking lie

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now
I hate you now
God, I hate you now

I hate you now
And it feels so good
I hate you now
Never thought I would

Hate you now
Hate you now
I hate you now
God, I hate you now
