

Little Things

Sylver

In an ocean of feelings
I don't know what to do
although I am
the one who left
I just keep thinking of you

It makes me want to cry
to know how I treated you
I'm so sorry
for what I did
I'll never find another love like you

Little things you did
the sweet things you said
you made me feel so special
I just can't forget
the little things you did
the sweet things you said
you made me feel so special
I just can't forget

In an ocean of feelings
I don't know what to do
although I am
the one who left
I just keep thinking of you

It makes me want to cry
to know how I treated you
I'm so sorry
for what I did
I'll never find another love like you

Little things you did
the sweet things you said
you made me feel so special
I just can't forget
the little things you did
the sweet things you said
you made me feel so special
I just can't forget
