

## Little Things

Sylver

In an ocean of feelings  
I don't know what to do  
although I am  
the one who left  
I just keep thinking of you

It makes me want to cry  
to know how I treated you  
I'm so sorry  
for what I did  
I'll never find another love like you

Little things you did  
the sweet things you said  
you made me feel so special  
I just can't forget  
the little things you did  
the sweet things you said  
you made me feel so special  
I just can't forget

In an ocean of feelings  
I don't know what to do  
although I am  
the one who left  
I just keep thinking of you

It makes me want to cry  
to know how I treated you  
I'm so sorry  
for what I did  
I'll never find another love like you

Little things you did  
the sweet things you said  
you made me feel so special  
I just can't forget  
the little things you did  
the sweet things you said  
you made me feel so special  
I just can't forget
