

Love Is an Angel

Sylver

Love is an angel
Standing by your side

Are you my angel? are you my guide?
Where is the answer? where is the light?
Are you my vengeance? Are you my pride?
Are you my stranger? Heaven decides

All this time I'm waitin'
I was anticipatin' for a love like you
A love that is always true

Thought you got me dreamin'
I find it hard believin'
In a love like you
A love that is always true

Love is an angel
Holding you tight
Love is an angel
Standing by your side

Are you my angel? are you my guide?
Where is the answer? where is the light?
Are you my vengeance? Are you my pride?
Are you my stranger? Heaven decides

All the tears I've been cryin'
I was slowly dyin'
For a love like you
A love that is always true

Thought you got me dreamin'
I find it hard believin'
In a love like you
A love that is always true

Are you my angel? are you my guide?
Where is the answer? where is the light?
Are you my vengeance? Are you my pride?
Are you my stranger?

Love is an angel
Holding you tight
Love is an angel
Standing by your side

Are you my angel? are you my guide?
Where is the answer? where is the light?
Are you my vengeance? Are you my pride?
Are you my stranger? Heaven decides

Love is an angel
