

# Masquerade

## Symphony X

Shackled in darkness - the forbidden portrait confined to  
it's frame  
Unbroken silence - a total misfortune and shame

Ragin obsession - this mask of oppression, it hides your  
agression from view  
This tearing suture renounces the love he once knew

Your sacrifice this paradise of innocence  
Trust the lie - you falsify the line of truth  
You disguise your insolence  
Don't deny insanity - mediocrity

Save us from this masquerade of lies  
Kings and fools die in ridicule (save us)  
Save us from this masquerade of lies

A fallen fortress sees him beneath starless skies  
Subsiding deeper - the final farewell in his eyes

Unspoken hero - distrusted and thrusted within surmise  
Seizing intrusion to unveil his clever disguise

Your sacrifice this paradise of innocence  
Trust the lie - you falsify the line of truth

Save us from this masquerade of lies  
Kings and fools die in ridicule (save us)  
Save us from this masquerade of lies

[Solo]

Save us from this masquerade of lies  
Kings and fools die in ridicule (save us)  
Save us from this masquerade of lies
