Symphony X

Shackled in darkness - the forbidden portrait confined to it's frame
Unbroken silence - a total misfortune and shame

Ragin obsession - this mask of oppression, it hides your agression from view
This tearing suture renounces the love he once knew

Your sacrifice this paradise of innocence Trust the lie - you falsify the line of truth You disguise your insolence Don't deny insanity - mediocrity

Save us from this masquerade of lies Kings and fools die in ridicule (save us) Save us from this masquerade of lies

A fallen fortress sees him beneath starless skies Subsiding deeper - the final farewell in his eyes

Unspoken hero - distrusted and thrusted within surmise Seizing intrusion to unveil his clever disguise

Your sacrifice this paradise of innocence Trust the lie - you falsify the line of truth

Save us from this masquerade of lies Kings and fools die in ridicule (save us) Save us from this masquerade of lies
