

# Your Kiss Is Sweet

Syreeta

This song goes out to all you fellas  
Who think your kisses are sweet as candy  
But honey got you beat by a million miles

\*Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles  
Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles

You came and entered my love and ran away  
Leaving these eyes of mine crying every day  
Now you are back and are saying you want to stay  
When you left you stayed too long  
Might as well keep moving on and on and on and on and on  
This song goes out to all you fellas  
Who think your kisses are sweet as candy  
But honey got you beat by a million miles

\*Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles  
Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles

To you my life was nothing but a game  
Now you're here and I want to take the blame  
How coul you take all this time and I could feel the same  
Sorry for the tears you cried  
There's another I won't lie, I won't lie, I won't lie...

So keep on going

This song goes out to all you fellas  
Who think your kisses are sweet as candy  
But honey got you beat by a million miles

Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles  
Your kiss is sweet, as sweet as candy  
But honey beat your kisses by a million miles

Kisses by a million miles
