

## Deer Dance

## System of a Down

Round, round  
Circumventing circuses  
lamenting in process  
to visible police  
presence sponsored fear  
battallions of riot police  
with rubber bullet kisses  
baton courtesy  
service with a smile  
Beyond the staples center you can see america  
with it's tired poor avenging disgrace  
peaceful loving youth against the brutality  
of plastic existence  
pushing little children  
with their fully automatics  
they like to push the weak around  
pushing little children  
with their fully automatics  
they like to push the weak around  
round, round  
A rush of words  
pleading to disperse  
upon your naked walls, alive  
A political call  
the fall guy accord  
we can't afford to be neutral on a moving train  
Beyond the staples center you can see america  
with it's tired poor avenging disgrace  
peaceful loving youth against the brutality  
of plastic existence  
pushing little children  
with their fully automatics  
they like to push the weak around  
pushing little children  
with their fully automatics  
they like to push the weak around  
A deer dance, invitation to peace  
war staring you in the face, dressed in black  
with a helmet, fierce  
trained and appropriate for the malcontents  
for the disproportioned malcontents.  
The little boy smiled, it'll all be well  
The little boy smiled, it'll all be well  
Pushing little children  
with their fully automatics  
they like to push the weak around  
Pushing little children  
with their fully automatics  
they like to push the weak around  
Push the weak around  
Push the weak around  
Push the weak around  
They like to push the weak around.
