

Toxicity

System of a Down

1. Conversion, software version 7.0,
Looking at life through the eyes of a tire hub,
Eating seeds as a past time activity,
The toxicity of our city, of our city,

R: New, what do you own the world?
How do you own disorder, disorder,
Now, somewhere between the sacred silence,
Sacred silence and sleep,
Somewhere, between the sacred silence and sleep,
Disorder, disorder, disorder.

2. More wood for their fires, loud neighbors,
Flashlight reveries caught in the headlights of a truck,
Eating seeds as a past time activity,
The toxicity of our city, of our city,

R: New, what do you own the world... (2x)

When I became the sun,
I shone life into the man's hearts,
When I became the sun,
I shone life into the man's hearts.
