

## Deep Colors Bleed

Systematic

Regress - Possession - No likeness  
Impress - No virtue - In humbling

In room beyond the view  
You choose to tremble in  
Drawn and quartered institution  
This place is set.

No feeling stronger than numbing  
Blankest expressions - you're calling.

Repressed - Adore you - They bought it  
Suggest - It's no use - Lay dormant.

In room beyond the view  
You choose to tremble in  
Reinventing Christ who died  
To make it make some sense.

No feeling stronger than numbing  
Blankest expressions - your calling.

Calling you.

No feeling stronger than numbing  
Blankest expressions - your calling.

Calling you.
