

# Bed

sZa

Into the roads  
Its open  
Bare to your left my heart sits here  
This is my dream and its hopeless  
This is the bed I lie in yeah

I only move for the gut punch  
Seeing your pain brings me such joy  
Love will only take you  
Into the bed you lie in yeah

Cuz I'm me  
I'm me revenge is my thing  
Watch em bleed, yeah I like it  
Yeah I like it  
Yeah I like it  
Yeah, yeah

Ooh I fell off the truck  
Out of luck  
So perturbed  
Ooh get me off the ground  
To be found  
Call my name on the loud speaker uhh

Claim me  
Loud enough for me  
To hear  
Ooo, ooo, ooo

Into the roads  
Its open  
Bare to your left my heart sits here  
This is my dream and its hopeless  
This is the bed I lie in yeah

I only move for the gut punch  
Seeing your pain brings me such joy  
Love will only take you  
Into the bed you lie in yeah

Mm yeah

This is from the heart this is what we live for  
Now back to the cheese the cheese  
This is from the heart this is what we live for  
Now back to the cheese the cheese  
At ease  
At ease  
At ease

Into the roads  
Its open  
Bare to your left my heart sits here  
This is my dream and its hopeless  
This is the bed I lie in yeah

I only move for the gut punch  
Seeing your pain brings me such joy  
Love will only take you  
Into the bed you lie in yeah
