

## Kismet

sZa

Keep your intentions pure don't be scared don't mince words  
I don't mince words  
My narcissism keeps me level  
Keeps me straight no curve balls  
Got no curve balls stay straight here  
You wish that I was less than I am  
Less than I will be but I won't  
No I won't  
Kismet, serendipity  
Reflections  
I am him and he is me  
Kismet... Serendipity
