

Wavy (Interlude)

sZa

I think I'm boutta sell out 'bout issue out of line
Sayin' tomorrow he'll wash the dishes
Never come
Easy bake, easy wake
I'm gone
Just give as much as you take
Forgive as much as you hate
Or get the fuck out

I've been in the dugout
Lookin' for a way out
You know just takin' it slow
Now I'm feelin' on loud
Lookin' for a way out
Somebody show me the door

I was wavin'
(I've been waitin' for you, boy)
And I was drownin'
(Ooh)
I went crazy
(I've been goin' crazy, boy)
Found out, what's the way out
Now I'm wavin'
Now I'm wavin'

You know just takin' it slow
Somebody show me the door
You know just takin' it slow
Somebody show me the ropes, babe
