

# Song To A Dead Man

**T-Bone Burnett**

When I was a kid, I was really young  
I fell in love and I got stung  
I tried it out and I tried it on  
When I was a kid, I was really young

When I was a kid everything was new  
I had a lot of friends, I couldn't even get close to  
And I tried so hard that I got confused  
When I was a kid, everything was new

When I was a kid, I was on my own  
I had a mother and a father, till I was almost grown  
But when I was alone, I was all alone  
When I was a kid, I was on my own

When I was a kid, I got off the track  
I walked down the road and I never did turn back  
God deliver me from this case in fact  
When I was a kid, I got off the track
