

## At the Bar

T.I.

Bartender I really did it this time  
Broke my parole to have a good time  
When I got home it was 6 A.M.  
The door was locked so I kicked it in  
She was tripping on the pills,  
I think she was high on some pills  
She through my shit out into the yard  
Then she called me a punk and slapped me real hard  
And in my drunken stupor I did  
What I should of never done  
Now I am sitting here talking to you  
Drunk and on the run

I sitting at the bar on the inside waiting on my ride on the outside  
She broke my heart at the trailer park so I jacked her keys to her fucking c  
ar  
And crashed that piece of shit and stepped away

You know Moe, I'll probably get ten years  
So just give me beers until they get here  
Yeah I know the sun is coming up  
And y'all are probably getting ready for closing up  
But I'm trying to drown my soul  
I am tired of this life on a dirt road,  
And everything that I love is gone  
And I'm tired of hanging on  
She got me sitting at the bar

I sitting at the bar on the inside waiting on my ride on the outside  
She broke my heart at the trailer park so I jacked her keys to her fucking c  
ar  
And crashed that piece of shit and stepped away

Guess it was meant to be romance  
Is misery so much for memories  
And now I am heading to the penitentiary  
See me on TV the next cop series  
I am a danger I guess I should have did something about my anger  
But I never learn, real things I don't concern  
I pour kerosene on everything I love and watch it burn  
I know it's my fault but I wasn't happy it was over  
She threw a fit so I crashed that piece of shit

And now I am going back again  
Back to the pen to see my friends  
When we all pile up on that county van  
They'll ask me where I've been  
I've been at a bar on the inside

I sitting at the bar on the inside waiting on my ride on the outside  
She broke my heart at the trailer park so I jacked her keys to her fucking c  
ar  
And crashed that piece of shit and stepped away
